

## PUBLIC NOTICE

### Pursuant to Section 386 of the *Water Act 2000* APPROVAL OF UNDERGROUND WATER IMPACT REPORT FOR ATP 744P

Under section 385 of the *Water Act 2000* (Water Act), the **Department of Environment and Science (DES)** has approved with conditions **Comet Ridge's** underground water impact report (UWIR) for **Authority to Prospect (ATP) 744P**, located approximately 90km north-east of Aramac and 145km north-east of Barcaldine in central Queensland.

The decision to approve the UWIR has been made following the assessment of the UWIR against the requirements of the Water Act. The UWIR takes effect on **16 June 2020**.

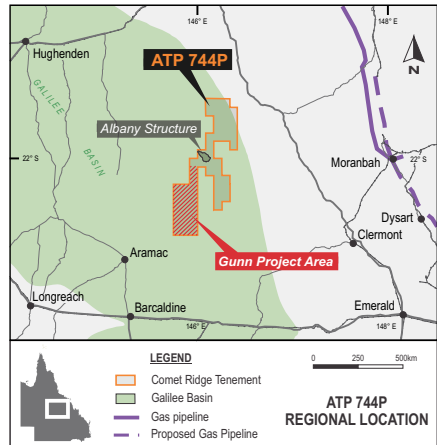

A draft version of UWIR was released for public consultation on 11 March 2020. All submissions received by the public were submitted with the final UWIR. Any required changes and additions have been incorporated into the approved UWIR report.

A copy of the UWIR may be obtained by contacting Comet Ridge by either:

1. In writing to the address below:

**Comet Ridge**  
**GPO BOX 798**  
**Brisbane QLD 4001**

2. By Phone: **+61 7 3221 3661**; or
3. Via email at **info@cometridge.com.au**

in order to arrange a hard copy of the report to be posted to you.

For more information please phone **07 3221 3661**
